Q.4. Read the paragraph and answer the following – (4)

Any information received through mass media needs to be reviewed critically. The news or information in the media may not always represent exact truth. We need to scan it very carefully. There is a very famous event of unauthentic information appearing in print in Germany. ‘Stern’, a German weekly magazine had purchased a number of so called handwritten diaries of Adolf Hitler. It sold them to various publication companies. The diaries were verified for their authenticity and subsequently the news appeared in the print. However, later those diaries were proved to be forged. It becomes apparent from this example that we need to be very careful about the information published by the media.
